ORDER

This matter is before the Court upon Plaintiffs' Motion to Establish a Document Production and Preservation Protocol for Class Certification Discovery. Doc. 139. On October 17, 2012, the Court issued an Order Granting In Part and Denying In Part Plaintiffs' Motion. Doc. 150. The Court Ordered the parties to make a good faith effort to meet and confer to resolve their differences with regard to a Document Production and Preservation Protocol for Class Certification Discovery. *Id*. The parties have complied with the Court's Order, and their efforts have resulted in an agreement on all parts of a Document Production and Preservation Protocol but for one portion: Section B(1) regarding the parties' "General Preservation Responsibilities." *See* docs. 154, 155. Accordingly, the Court **ADOPTS** the parties' agreed-to Document Production and Preservation Protocol for Class Certification Discovery (docs. 154-1, 155-1). The Court will issue an Order to that effect today. With respect to Section B(1), *see* PageID 2194-95 -- for which the parties do not agree -- the Court **ADOPTS** Plaintiffs' proposed language.

IT IS SO ORDERED.
